**Stop the ongoing US economic terrorism
against Iran and help its people**

Lund, Sweden - April 16, 2019

It's been a month-long catastrophe affecting 10 million people. It's bound to have very serious long-term consequences for a country already hit by the hardest of sanctions.

Here is why you haven't heard much - not even a fraction of what you've heard in a few hours about Notre Dame.

Here is why only few European countries have done anything to help.

This is shameful *no matter what you may think about the Iranian government and leaders.*

Text, facts, images and videos.

It also tells how **you** can help.
